Re: Louisville Gas and Electric Company
Petition for Confidential Treatment received 6/29/12
PSC Reference – Case No. 2012-00286

Dear Ms. Sturgeon:

The Public Service Commission has received the Petition for Confidential Treatment you filed on June 29, 2012 on behalf of Louisville Gas and Electric Company (“LG&E”) to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in LG&E’s “GCA” for the period of February, 2012 through April, 2012. The information is described as Exhibit B-1, page 5 and 6 which contain the identity of natural gas suppliers and links them with specific gas volumes delivered and the costs thereof.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information could result in an unfair commercial advantage to competitors.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to LG&E’s competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be removed from the public record and maintained as a nonpublic part of the Commission’s file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Louisville Gas and Electric Company is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen
Executive Director
